

Schedule of Rates

Standard Pay as you Go

You want the comfort of the service whenever you need it, but you are an infrequent or occasional user.

This is a pay as you go option, with a monthly access fee and a charge per km for usage. **Promotion** - You will receive 5kms free when you use 50kms or more in a billing month.

Discounted 45

You are a moderate but regular user (twice or more per month) and want the benefit of a better rate than the Pay as you Go solution.

You purchase 45kms in your monthly package at a discounted rate per km. **Promotion** - While you pay a discounted rate for 45kms, you will receive an extra 5kms for free effectively giving you 50kms for your money each billing month.

Discounted 90

You are living smart and, as a regular user of the service, you want the best price for your peace of mind. You purchase 90 kms in your monthly package at a maximum discounted rate per km.

Promotion - While you pay a maximum discounted rate for 90kms, you will receive an extra 10kms for free effectively giving you 100kms for your money each billing month.
